ClubCorp Benefits...How does this work?

It's as simple as 1-2-3:

1. Visit www.clubcorp.com and click on "Benefits Finder".
2. Enter the data fields accordingly and see what facilities are available in the area you are visiting. Click on the "ClubCorp" logo to see what benefits are offered.
3. Call the ClubLine at 1-866-989-4653 to make your arrangements.

This is a "traveling benefit"; restrictions near your home or business may apply.
